

Evolution ...is Broken

Intelligent design
...has a new meaning

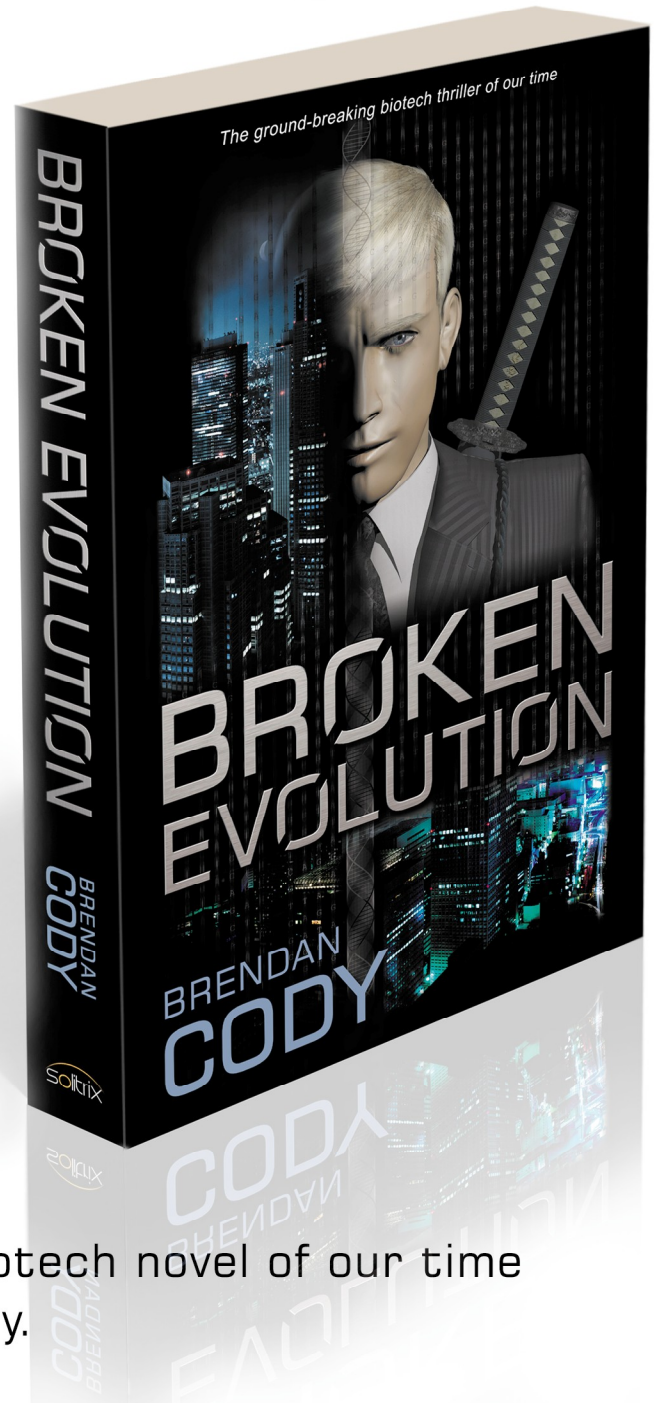

Struggling CIA agent Joshua Harker's hunt for a unique assassin leads him across the globe, into the highest levels of a Japanese cartel engaged in covert, unethical genetic research.

Harker's past lover — now married to the tycoon behind the crime — leads him to suspect he is being used — but by which side?

The ultimate truth he discovers will shatter our society ... for generations to come.

Discover the ground-breaking biotech novel of our time from thriller writer Brendan Cody.
